HIGH SCHOOL IS DEFEATED BY MESILLA

Agricultural College Cadets Easily Win From El Paso Players.

Agricultural College, N. M., March 28.—In a loose game of baseball, the college won from the El Paso High school on the college grounds by a score of 12 to 7.

With the exception of two innings, the game was fairly interesting. In the fourth, the High school made five runs. In the sixth Loretz weakened and the college hammered him for eight runs. All of them earned. Loretz pitched a good game but started at too fast a pace. Walling did well for the two innings he was in the game.

The High school infield was fast and heady. Their outfield was slow. Parker caught a plucky game.

Blaine, for the college, knocked a home run with three men on bases. The college has material for a team that will make a respectable showing against any team in this part of the country. The score by innings:

County attorney W. W. Bridges, discussing the juvenile court law, said this morning: "You do not know what the law is, after you have read it and there is hardly any way of enforcing it. It is a wonder that Texas does not wake up and make some kind of a law for the juvenile criminals."

AWAY GOES DYSPEPSIA, HEARTBURN, STOMACH GAS AND OTHER MISERY.

Take a Little Diapepsin now and your Stomach Will feel fine five minutes later.

As there is often some one in your family who suffers an attack of indigestion or some form of Stomach trouble, why don't you keep some Diapepsin the house handy?

This harmless blessing will digest anything you can eat without the slightest discomfort, and overcome a sour, gassy Stomach five minutes after.

Tell your pharmacist to let you read the formula plainly printed on these 50-cent cases of Diapepsin. Then you will readily see why it makes Indigestion, Sour Stomach, Heartburn and other distress go in five minutes and relieves at once such miseries as Belching of Gas, Eructations

of sour undigested food, Nausea, Headaches, Dizziness, Constipation and other Stomach disorders.

Some folks have tried so long to find relief from Indigestion and Dyspepsia or an out-of-order stomach with the common every-day cures advertised that they have about made up their minds that they have something else wrong, or believe theirs is a case of Nervousness, Gastritis, Catarrh of the Stomach or Cancer.

This, no doubt, is a serious mistake. Your real trouble is, what you eat does not digest; instead, it ferments and sours, turns to acid, Gas and Stomach poison, which putrefies in the digestive tract and intestines, and, besides, poisons the breath with nauseous odors.

A hearty appetite, with thorough digestion, and without the slightest discomfort or misery of the Stomach, is waiting for you as soon as you decide to try Diapepsin.
